

The Federal Communications Commission

Dear The Federal Communications Commission,

I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I use my wireless phone for safety, security and convenience.

PLEASE! TAXES SUCH AS THESE SHOULD BE BASED ON USAGE. I ALREADY WAY MORE MINUTES THAN I USE. I DRIVE 50 MILES A DAY ON COUNTRY ROADS TO MY JOB. IF SOMETHING HAPPENS TO MY CAR, I NEED TO CALL MY HUSBAND FOR HELP.

Sincerely,

Linda Cohoon
